

MISSION STATEMENT

“To ensure a stronger Mechanical Contracting Industry by initiating and conducting essential educational and research programs which enhance this industry’s ability to operate efficiently and economically for the benefit of those served by the industry”.

PLEDGE FORM

In support of its mission, I/we pledge \$_____ to the Canadian Mechanical Contracting Education Foundation. This payment will be made as follows:

\$_____ enclosed (+GST/HST)

\$_____ to be paid in _____ installments over _____ year(s).

Other:(please describe) _____

It is understood that this payment will be used by the Foundation exclusively to further its objects; to develop needed educational programs, with a focus on improving business management skills and capabilities to utilize emerging new technologies; to promote “life-long”, continuous learning; to facilitate cost-effective distance learning; and to enhance the professional image of the industry in Canada, promoting career interest in mechanical contracting.

It is also understood that this payment entitles the payor to participate in the activities of the Foundation as a Supporting Member and serve on its committees and task forces.

*As a general rule of thumb we ask that you consider pledging 1/10th of 1% of your annual sales. Payments can be spread over 5 years. For example, if your contracting firm had \$1,000,000 in sales in 2006, this would amount to a total of \$1000 which could be paid out over 5 years. A minimum of \$2500 must be pledged over 5 years in order to receive 10% discounts on all CMCEF courses.
