The **Canadian Mechanical Contracting Education Foundation (CMCEF)** proudly presents the exclusive CMCEF Gold Seal and Blue Seal Accredited Project Management Program. The highly acclaimed program is offered in partnership with the University of Waterloo. The program takes place over a 10-day period and is split into two 5-day sessions. There have been over 20 sessions offered with more than 600 industry managers graduating from the program.

Course Outline

This Gold Seal accredited course is designed to:

- To improve the planning and controlling of your projects, thereby improving your company's bottom line
- Take a business view of projects and take ownership of a project from bid to final payment
- Increase your own project "lessons learned" by learning from experiences of other participants
- Be able and willing to contribute improvements to your company's project management process
- Be better prepared to take Gold Seal examination, if you choose
- Enjoy your projects!

Summary of Course Topics

Over the two week period sessions will be held on:

- Project Administration
- Scheduling
- Managing Individual Differences
- Safety: A Management Perspective
- Change Orders
- Construction Law
- Job Cost Controls
- Meetings and Communication
- Dispute Avoidance and Claims
- Labour Relations: Due Diligence
- Project Completion

Your Instructors:

Part of what is unique in this Project Management offering is that over the 10-day period you will be introduced to 8 different instructors who are all experts in their field of knowledge. You will learn from the best!

In order to receive the course certificate, students **MUST** attend 9 of 10 days. A final assignment must also be completed during class time.

"The Project Management Course offered by CMCEF and the University of Waterloo was very professional in its approach with very well qualified and experienced professionals. I have been associated with the contracting business for more than twenty (20) years. This course is a recommended must for those interested in having a "professional standard" approach to Project Management. Thank you for giving me the opportunity to attend" **Robert Thain, Black and McDonald, Winnipeg, MB**
